

2017 CSW Student Travel Award

The Chemical Society of Washington is pleased to announce a student travel award to defray travel and/or registration costs to the ACS Fall National Meeting in Washington, DC. The meeting will be held August 20-24, 2017. Eligible expenses include meeting registration and travel expenses.

The award is open to students who are graduate and undergraduate students in the jurisdiction of the Chemical Society of Washington. The award is not intended for post-doctoral fellows. There will be a maximum of eight awards available for the 2017 Fall National Meeting.

Each award will be for up to \$250 of eligible expenses based on the review of the following materials - applicants should submit the following by June 23, 2017, at 11:59 p.m., to CSW (email: CSW@acs.org):

- A cover letter stating how and why attending this ACS meeting will promote the applicant's career
- The applicant's CV
- A letter of recommendation from the student's mentor explaining why the student deserves the award and how this will help the applicant's professional development
- An accepted abstract with proof of acceptance
- A cover letter stating how and why attending this ACS meeting will promote the applicant's career

NOTE: To be eligible, you must be a member of CSW, and your complete application must be received before the deadline.

Within three weeks of returning from the ACS meeting, the awardees should submit receipts to the Treasurer for any or all of the eligible expenses described above, after which the Treasurer of the Chemical Society of Washington will issue a check to each of the awardees.

After returning from the conference, awardees will be asked to present their posters at one of the upcoming CSW dinner meetings.

The award is not intended for post-doctoral fellows. There will be a maximum of eight awards available for the Fall National Meeting. Each award will be for \$250 and award of this stipend will be based on the review of the above materials. This award is open to undergraduate and graduate students who are members and in the jurisdiction of the Chemical Society of Washington.
